### **Mahoney & Friends**

Date and Time: Friday, December 6 7:30 pm

Address: 401 First Street SE

After 2 1/2 decades, Mahoney has established themselves as a mainstay of the Medicine Hat business, and entertainment industry. The duo played their first show at the Medicine Hat College in January 2000, with thousands of events to follow. They have performed all across the country on stages big and small, and 10 years ago decid

ed it was time to tackle Medicine Hats largest, and most prestigious establishment. The Esplanade is the pinnacle of local music venues and that first show was a tremendous success, warranting an annual performance. Mahoney wanted to share the experience of playing such a phenomenal show with the finest musicians in town. Mahoney and Friends was born of a desire to showcase elite local talent with the finest production, in the greatest venue. Today, almost a decade later, Mahoney and Friends has proven itself to be one of the finest yearly shows a round. Similar to the style that has put Mahoney on the map, Mahoney and Friends assembles an eclectic collection of fun, recognizable and crowd friendly songs, accommodating all age brackets. You'll hear songs you've known your whole life with a clever twist that you can only get from Mahoney. Bring your kids; bring your grandparents; and everyone in between for this amazing annual show that gets better and better every year.

### The McDades

Date and Time: Friday, December 13 7:30 pm

Address: 401 First Street SE

Punching through the walls of tradition, The McDades' Celtic-rooted music fuses the spontaneity of jazz improvisation and infectious global rhythms. The Juno Award winners' cutting edge sound is the perfect complement to their fiery performances.

At the heart of the group are siblings Shannon, Solon & Jeremiah who grew up playing Canadian folk music alongside their parents and among artists from around the world; a unique upbringing that led to a love and respect for all music. Their ground-breaking compositions and innovative arrangements are characterized by stunning virtuosity and a near-telepathic interaction on stage.

With vocal harmonies that can only come from a family, and an obvious love for each other and their music, The McDades' sound is immersed in the spirit of improvisation. Combining original tunes and unique interpretations of traditional songs, their performances feature both energetic instrumentals and moving vocals performed in English and French. This compelling and dynamic group “finds their groove somewhere between a down-ho

me kitchen party, a jazzy after hours club, and a folk festival.” (London Free Press)

The McDades are winners of the Juno Award for Best Roots Album (group) and three Canadian folk music awards (World Group of the year and Instrumental album of the year). Their new album “The Empress” continues to highlight the group’s one-of-a-kind sound and irresistible groove. “This Kicks!” (Froots)
